Ready Set Retro!

Put on your bobby socks, bring your yoyos and join us on Saturday 10 February for the Discovery Retro Run.

WHAT IS THE DISCOVERY RETRO RUN?

Powered by KFM 94.5, the Discovery Retro Run promises to be the most fun you will have on a trip down memory lane! It's for the avid runner, the social runner or the haven't-run-yet runner.

Happening at Green Point, Sea Point and Mouille Point hotspots, we would love to see you in your official Retro Run T-shirt, and your Retro active wear. Included in your race pack is your race number and timing chip – giving you ammunition to brag to your mates, and earn Vitality points while you're at it.

A finishers gift will await you at the finish line after you've capitalised on loads of opportunities for great selfies along the route. Stick around after the race and party to the best Retro Tunes with our KFM DJs!
